

TRAFALGAR PC 500H SWIVEL PADDOCK CLEANER

THE GENERAL WORK HORSE FOR AROUND THE PADDOCK AND YARD WITH 360° SWIVEL CHASIS

With a 360° Swivel and a NEW and improved fan system, this is the perfect work companion for Horse and Alpaca paddocks.

The PC 500H Swivel has a 360 degree swivel allowing an easier and wider pickup area and now comes with wider tougher terrain wheels and swivel hitch.

With the new and improved fan system this machine is perfect for horse and alpaca paddocks and yards. The advantages of the clean fan system design means no muck passes through the fan reducing the chance of blockages. The hopper can swivel through 360 degrees enabling your pick up hose to collect further around. The machine is still lightweight yet its rugged construction allows the machine to be easily pulled around the yard or paddock.

The PC 500H Swivel can be towed behind to most ATV, ride-on mowers and compact tractors and comes with wider tough terrain wheels and a swivel hitch.

The PC 500H is designed to be easy to clean resulting in reduced maintenance and wear.

Features of the Paddock Cleaner

- The Paddock Cleaner perform in any conditions, wet or dry.
- Due to popular demand, there is now a 4 stroke Honda powered version available.
- The four stroke engine eliminates mixing two stroke fuel.
- The clean fan system means no muck passes through the fan.
- The advantages of this design are less chance of blockage, easy to clean, reduced maintenance and wear.
- You will also find that The Paddock Cleaner has many other uses around the estate. For example, collecting leaves litter and cleaning water troughs.
- 360 degree allowing an easier and wider pickup area.
